CONSORTIUM OF SUPPLY CHAIN & OPERATIONS MANAGEMENT

Special issue of Journal of Supply Chain and Operations Management Innovative Teaching in Operations and Supply Chain Management

The Consortium of Supply Chain & Operations Management (CSUPOM) <http://www.csupom.org/> is sponsoring a special issue of Journal of Supply Chain and Operations Management on Innovative Teaching in Operations and Supply Chain Management. As the guest editors of this special issue, we would like to encourage you to contribute to this fast-growing field by submitting a paper. We solicit topics on (not limited to) Innovative Teaching Methods, Cyberlearning, Spreadsheet Modeling, Teaching Briefs, Conceptual Approaches, Flipped Classrooms, Problem-based Learning, Mass Customization, the Use of Simulation and Games, Service-based Learning, Integration of Research and Teaching, etc.. The papers should contain results that are significant and have archival value to OM/SCM pedagogy. Full papers for this special issue have a 25 page limit with double space and will undergo a double-blind peer review process.

To submit a manuscript, please go to <https://jscom.scholasticahq.com/> Submission instructions and a Word template can be found at <https://jscom.scholasticahq.com/for-authors>

Please do not include author names and affiliations in the submitted manuscript file. Please include "Special Issue on Innovative Teaching in Operations and Supply Chain Management" as a subtitle.

Deadlines for the special issue are as follows:

October 15, 2018: Submission deadline for initial submission

November, 15, 2018: First-round decisions on all submitted manuscripts

December 15, 2018: Submission deadline for invited revisions

January 15, 2019: Final decisions

Guest Editors:
